California Youth Court Summit
*Community Partnerships: Putting the
Pieces Together*
June 22 – 24, 2017
University of Redlands

This year's summit will include a **pre-conference workshop** on **Thursday afternoon, June 22, 3:30 – 5:00 pm**, ***Talking it Through – A Conversation Between Youth and Police***. The relationship between youth and police officers can often be challenging. Join expert panelists in an open discussion about building a stronger and more positive relationship between police officers and young people.

And on Saturday morning, I AM THAT GIRL Program Director, Rachel McGowan, will discuss this exciting organization that is shifting the girl culture by "raising the standards for how girls treat themselves, each other, and the world and by turning stories of struggle and adversity into stories of triumph and connectedness". <http://www.iamthatgirl.com/>
